Messe München

Munich, December 7, 2016

Press Release**Starting signal for CTT 2017 in Moscow**

- **Registration documents available online**
- **Exhibitors showing slightly more interest in 2017**
- **Andreas Lettl is new CEO of CTT Expo LLC**

Preparations have got underway for CTT 2017, which will be taking place in the Crocus Expo IEC in Moscow from May 30 to June 3. Interested companies can download the exhibitor documents from www.ctt-expo.ru/en/tradefair/exhibitors/planning-your-exhibit/participation-fees-and-application-form. The closing date for registrations for international companies is January 27, 2017; Russian companies can register until March 31, 2017. It is already clear that China, Germany, Finland and Italy will be organizing joint stands.

CTT Expo LLC has new chief executive

While the trade fair concept remains the same, there is one organizational change: Andreas Lettl has taken over as CEO at CTT Expo LLC, with effect from December 1, 2016. Lettl brings with him many years of management experience in the construction and building machinery sector, and in the service industry. He is a senior manager, speaks fluent Russian, German and English, and has acquired extensive knowledge of managing international and Russian companies in more than 12 years in Russia. The Project Manager Marina Vashurkina will continue to act as the main contact person for Russian companies.

CTT presents itself stable

Organizers are anticipating a slight increase in exhibitor numbers for upcoming events in 2017. The last CTT was attended by around 520 exhibitors from 26 countries and all of 21,000 participants from 59 countries. The 17th edition of this "International specialized exhibition Construction Equipment & Technologies" occupied 65,000 square meters.

Construction machinery trade shows of Messe München

Organizing trade shows for the international construction machinery sector is a core competence of Messe München. Its portfolio includes not only the world's leading trade show, bauma in Munich, and the brand event bauma China in Shanghai—it also cooperates with the Association of Equipment Manufacturers (AEM) in the organization of BAUMA CONEXPO INDIA in Gurgaon/Delhi and BAUMA CONEXPO AFRICA in Johannesburg. In December 2015, Messe München successfully expanded its portfolio again by purchasing the leading Russian construction-machinery exhibition CTT.

Messe München

Messe München is one of the world's leading trade-show companies. It organizes some 40 trade shows for capital and consumer goods and key high-tech industries in Munich and abroad. Each year more than 30,000 exhibitors and some two million visitors take part in events held at the Messe München trade-fair center, the ICM – Internationales Congress Center München and the MOC Veranstaltungszentrum München. In addition, Messe München organizes trade shows in China, India, Turkey, South Africa and Russia. Messe München has a global business presence with affiliates in Europe, Asia and Africa and more than 60 foreign representatives serving more than 100 countries.
